### WARDEN'S NEWS

Due to budget cuts, all education/vocational programming is currently suspended. Solano is slotted to have some of the education/vocation programming return, but it will not be the same capacity as it has been in the past. The new education/vocational program realignment date is still to be announced.

### Appt. VISITING INFORMATION

**Contact Visit Appointment Emailing:** Appointments can be made up to two weeks prior to the visiting weekend. If you are going to make an appointment request for two separate weekends it is strongly recommended that you make your appointment requests in separate emails for each weekend. Also it is recommended the dates that are being requested are stipulated in the subject line of your email request. You should receive your confirmation by Wednesday of the week the request is made. Please bring your confirmation email with you on the day of visiting in case of any discrepancies.

**New IFC website!!!** [www.ifc-solano.org](http://www.ifc-solano.org)

The Solano IFC Website is here for you! It will provide links, updated information, forms, CDCR Memos, Title 15/DOM and resources that enable you as a visitor at Solano prison to access the information you need, when you need it. This site is an effort from your Solano IFC and not a state-sponsored website. Sign up for e-mail updates on the site.

## **CLOTHING INFORMATION**

Hats, gloves and scarves may be worn October 31 thru March 31.

## **VENDORS -**

*- Stay tuned coming soon!*

The vendor has ordered additional snack machines for each visiting room. Please remember to not form lines when the vendors are restocking and if you have questions or concerns for them, please wait until after they have finished restocking.

The vendor also would like for our visitors to please be mindful and respectful of the supplies such as plates, napkins eating utensils and condiments. Avoid waste so that we can have a plentiful supply for all families. Please avoid using supplies to save your tables. Your cooperation would be greatly appreciated.

## **MEDICAL INFORMATION**

It is extremely important that inmates fill out a medical release form that allows the prison to communicate with a loved one if there is a medical issue. Without that form, the medical staff cannot give out any information. All calls at CSP-Solano regarding health care have to go through the ROI Access line 707-454-3497. Calls should be returned with-in 2 business days.

## **New to the Prison System?**

If you are new to the prison system, please see any Inmate Family Council member or the Visiting Lt. for the booklet Staying In Touch. This helpful guide can help you navigate through the California prison system. It includes how to send packages, money, mail regulations, dress codes and much more.

## **INMATE FAMILY COUNCIL**

Visitors may provide comments and suggestions to the Solano Inmate Family Council by contacting us during visiting or by submitting any issues to the IFC via our Suggestion Box inside the Entrance Building. There is a separate comment box for Visiting A in the foyer. Please let us know if you would like to be contacted. You can always stop and talk with us when you see us on the prison grounds. You can identify us by our yellow badges we wear and pictures hanging outside the visiting room.

**Look for our bulletin board in each visiting room where important announcements will be posted**
